If you like to play and tell stories to younger children this training is for YOU

This training is for
Anyone who like to teach children younger than 5 year old.

Young and new mothers for early introduction to spiritual education.

Current Bala Vihar sevaks and sevikas that may be interested in taking Shishu vihar classes at your center

Shishu Vihar is Chinmaya Mission's newest creative device to 'catch them young'; a forum for anyone aged below 5 years. Shishu Vihar is an assemblage of infants, toddlers and young and new mothers for early introduction to spiritual education.

Shishu Vihar strives to provide opportunities for this, thereby enabling spiritual development through cultural education. Classes follow a modern structure of play groups where children learn through song, stories, arts and crafts, appropriate to their age and development. For effective learning outcomes, several props, music and an extensive use of colours, shapes and forms are utilised to relay information to the infant.

If you are interested in attending the training please provide your name, email and phone number to your session coordinator
